**SLAIT GIN**  
**BREMEN'S PEPPERY ANSWER TO THE**  
**MULTIFACETED WORLD OF GIN.**

The name "SLAIT" is Low German and means the hammering down of the stakes that take care of and save the waterfront. Exactly here at the river Weser the idea of an edgy and peppery gin was born at the beginning of 2022. Origin: Bremen, Germany, 45% vol.
